

Framework	Group Tracing
Students with COVID-19	Isolate per general LAC DPH guidance¹
Students exposed to someone at school with COVID-19	Identify <u>groups</u> who shared the same indoor airspace at school for at least 15 minutes (within 24 hours) of someone with COVID-19
	<p>Group Action for all three categories of exposed students without symptoms:</p> <ul style="list-style-type: none"> • Remain in school • Get tested once <ul style="list-style-type: none"> ○ Test preferably between Days 3-5² where possible ○ Students who are not fully vaccinated⁴ are required to test at least once weekly. ○ Other student groups are recommended to test once except for students who had a positive COVID-19 test in the past 90 days. • Students can participate in sports and extracurricular activities if tested • Upgrade to well-fitted mask⁵; required to wear indoors & outdoors • Monitor for symptoms⁶

1 ph.lacounty.gov/covidisolation

2 Day 0 is the last date of exposure to the infected person

5 Students should wear a non-cloth mask of multiple layers of non-woven material with a nose wire.

6 If symptomatic or symptoms develop, remain at home and get tested. If positive, isolate per general LACDPH guidance. If negative, stay home until fever free for 24 hours and improved symptoms.
